EXCITING ANNOUNCEMENT-AVON BROACH IMPLEMENTS FREEDOM 401(k) PLAN!

Friday, February 17, Avon Broach & Production Company of Rochester Hills, Michigan signed with Freedom One Retirement Services as their 401(k) plan provider.

George Buhaj, owner of Avon Broach, conducted a specific and very detailed review of his 401(k) plan. Mr. Buhaj takes his fiduciary role very seriously, and after a Due Diligence Review (DDR) was completed on Putnam, his current provider, he then asked for a competitive analysis from a prospective provider, a large insurance company. Mr. Buhaj learned that there was a tremendous value difference between Putnam, the insurance company, and Freedom One.

Mark Wayne, President and CEO of Freedom One, stated: "We were able to demonstrate to Avon Broach the advantages of the Freedom 401(k) plan, when they allowed us to conduct a Due Diligence Review (DDR). George was introduced to this process, which provided him a tool that helped him understand the value his current plan offered and allowed him to arrive at his own conclusion regarding its success. In 2005, more than 60 DDRs were presented to prospective clients, and more than half made the decision to move to Freedom One."
