EXCITING ANNOUNCEMENT - BECK MOTORS IMPLEMENTS FREEDOM 401(k) PLAN!

Friday, February 17, Beck Motors of Belle, Missouri chose Freedom One Retirement Services as their 401(k) plan provider.

It was important to Beck Motors President, Keith Beck, to have all facets of his 401(k) plan handled by a single provider. Having the ability to turn to one company for the investment selection, employee education, and administration was one of the reasons why Mr. Beck chose the Freedom 401(k) plan. Keith is also a big supporter of the MADA and appreciates the support Freedom One provides the Association and its members.

Mark Wayne, President and CEO of Freedom One, stated: "We were able to demonstrate to Beck Motors the advantages of the Freedom 401(k) plan, when they allowed us to conduct a Due Diligence Review (DDR). Keith was introduced to this process, which provided him a tool that helped him understand what value his current plan offered and allowed him to arrive at his own conclusion regarding its success. In 2005, more than 60 DDRs were presented to prospective clients, and more than half made the decision to move to Freedom One."
