Uncommon Loyalty. Objective Advice.

# More Flexibility with your Retirement Savings

**YOU ASKED, WE LISTENED.** The same investment sophistication as our 401(k) plan in an IRA. The **Freedom One IRA** is now available! The **Freedom One IRA** offers the same superior investment process that is currently being used in hundreds of 401(k) plans and serving thousands of participants.

The **Freedom One IRA** provides these advantages:

- Choose from five professionally managed asset allocation portfolios called "TIPS."
- We automatically rebalance your portfolio to your selected TIP on a regular basis.
- Freedom One Investment Advisors becomes your personal registered investment advisor providing on-going, professional investment advice.
- You may contribute additional funds to your IRA.
- Freedom One Investment Advisors utilizes very low cost, high-quality, top-performing investment options, with no up-front or back-end loads, and no surrender charges.

Who can invest in the **Freedom One IRA**?

- ✓ Current Freedom 401(k) participants
- ✓ Participants who still have money in Freedom 401(k)
- ✓ Participants who have a 401(k) plan at a former employer
- ✓ Participants with an existing IRA with another provider

**WHAT A GREAT OPPORTUNITY!**
