**FOR IMMEDIATE RELEASE:  
SATISFACTION GUARANTEED!**

Clarkston, MI, April 13, 2005 – Freedom One Retirement Services announces **W.K. Industries, Inc.**, located in Sterling Heights, Michigan as a satisfied client since 1997.

Dave Barth, CPA of WK Industries, Inc. in Sterling Heights, Michigan, chose the Freedom 401(k) plan because of our commitment to providing excellence and his recommendation from a CPA firm, BDO Seidman.

Dave Barth, CPA, W.K. Industries stated: *“Over the last seven years, the size of our plan has grown quickly since its inception due to the increased level of employee participation and the average deferral percentage contributed by each employee. We feel this increase is a direct result of Freedom One’s one-on-one meetings... Your process for selecting and monitoring our fund managers gives me peace of mind knowing that our employees are investing in a menu of high quality, low cost, top-performing investment funds. We feel our employees will retire more successfully as a result of your services.”*

*“It is exciting to see our employee education and communication services so highly regarded by our clients. These results illustrate the value of this unique service,”* stated Mark Wayne, President & CEO of Freedom One Financial Group.
