FREEDOM ONE TO PROVIDE 401(k) CONSULTING SERVICES FOR ASSET ACCEPTANCE CAPITAL CORP.

Clarkston, Michigan, March 2008 – Freedom One Retirement Services today announced the addition of Asset Acceptance Capital Corp. of Warren, Michigan as its newest 401(k) plan client. Freedom One will provide 401(k) consulting services for the company's 1,700 employees across 10 offices nationwide.

Asset Acceptance Capital Corp. (AACC) is a leading purchaser and collector of charged-off consumer debt. Since 1962, Asset Acceptance has provided credit originators such as credit card issuers, consumer finance companies, retail merchants, utilities and others an efficient alternative in recovering defaulted consumer debt.

AACC had several providers compete for its 401(k) plan business, and Freedom One assisted in comparing these providers. The company felt that it was important to have all facets of the plan handled by a single provider that specializes in 401(k). Having the ability to call one number and have access to an expert company for investment services, employee education, and plan administration were the main reasons Asset Acceptance chose Freedom One as its partner.

"The 401(k) Fiduciary Review continues to demonstrate tremendous value," said Mark Wayne, President & CEO of Freedom One. "After completing over 200 of these reviews, we know what the 401(k) industry has to offer. As Michigan's largest 401(k) plan consultant, we've built our reputation on exceptional service and results. We are equipped to assist business owners with their plan at any level."
